### Head of School's Welcome Message

Dear Parents and Guardians,

Happy New Year and Welcome to Second Term! As we embark on the second term, I extend a warm welcome to everyone. This term, we're excited to explore the theme: T E A M - Together Everyone Achieves More.

Teamwork is the backbone of success. When we work together, we achieve more, learn more, and grow more. For our pupils, learning to collaborate is crucial - it builds communication skills, fosters creativity, and develops problem-solving abilities.

At Blossom Vine School, we're committed to nurturing this spirit of teamwork. Through collaborative tasks and group activities, our pupils will learn to play together, support each other, respect diverse perspectives, and strive for excellence together.

This approach will not only enhance their academic performance but also shape them into responsible, empathetic individuals.

Let's work together to make this term a success!

Best regards,  
Flora Obaisi

## FRUIT DAY

A "Fruit Day" in school is a fun, educational event promoting healthy eating where pupils learn about, taste, and create with fresh fruits, encouraging them to choose natural snacks over junk food through activities like fruit salad making, juice making, crafts, and tasting sessions, boosting health and making nutrition exciting.

Blossom Vine School will host a Fruit Day on 30th January 2026. A message will be sent to you ahead of time to let you know how you can support your child's learning during this event.
